All Alone single released on 14th November 2011

Eureka Stockade release All Alone as a single on the Cracking Tunes record label on 14th November 2011. All Alone is an upbeat acoustic ballad with rousing lead e-bow and driving rhythm and bass.

The b-side track is Erotomania which shows Eureka Stockade's darker side; lead guitar lines and the progressive groove stand out 'like a knife that stabs in your eye'!
